Dear Shannel,

On behalf of Dean Allyson Green it is my great pleasure to inform you that you have been admitted to the Tisch School of the Arts at New York University. Congratulations!

Our offer of admission to the degree and program listed above is conditional upon compliance with all departmental and University requirements and successful completion of any degree program currently in progress.

Before starting your program at Tisch you will need to ensure we receive, a final, official transcript bearing conferral of the Bachelor's degree. If you have been accepted to a doctoral program we will need a Master's degree transcript as well. Specific information on what you need to do to fulfill this requirement will be sent to you after you accept our offer.

Instructions on how to reply to the offer of admission can be found on the [Tisch Admitted Students Website](#). To reserve your space in the program you will need to pay a tuition deposit by May 1st.

Please review the particulars of your admission and visit the above website in order to familiarize yourself with our school and the necessary procedures for becoming a member of the Tisch community.

If you indicated an interest in financial aid on your application, the department will be in touch with you soon with information on the scholarship process.

Please let me know if you have any questions.

Congratulations, once again, on your admission to the Tisch School of the Arts!

Sincerely,

Joe Miserendino
Director of Graduate Admissions
